You may find better rates on [www.hotels.com](http://www.hotels.com) or through your own research. The San Jose area is a big business hub with many hotels. We recommend the Hyatt House because it was newly built in 2011 and ranks number one in Trip Advisor for being the best business hotel in the San Jose area (and it gave us a very good rate). The beds are incredibly comfortable and the hotel serves a full hot breakfast. Driving time from the reception venue at Boulder Ridge to the Hyatt House Silicon Valley is approximately 25 minutes.
